## ZOOM INSTRUCTIONS

As you know, with the COVID-19 pandemic, the safety of our patients and staff is of utmost importance. To maximize physical distancing, reduce personal protective equipment use, and reduce unnecessary exposures for the whole community, the hospital has set up the ability to conduct daily rounds by Zoom, rather than in person.

This will allow us, as your team, to have longer conversations about your care than we would be able to do in the room. We will set up a Zoom meeting with you every morning to discuss any updates on you/your child's symptoms and care plan. After we talk by Zoom to all of the families on our team, one or two members of our team will come by to perform a physical exam. If the plan changes based on the physical exam, we will again discuss this plan by Zoom rather than in the room. While we recognize that this is a change from our usual practice, limiting close contact with multiple providers is the safest course of action for our patients till this outbreak ends. We appreciate your understanding.

Here are the steps:

1. Download the app on your phone: it's called "Zoom Cloud Meetings".
2. Open the app and click "Join a meeting"
3. Enter your *personal link name* (may have to click the text beneath the meeting ID field), which is: bchRoomnumber. For example, if you're in room 702A, your meeting ID is bch702a. If you're in room 936, your meeting ID is bch936. If your phone only is letting you type numbers, click the button that says "Join with a personal link name" to enter the meeting ID. All letters should be lowercase.
4. It'll then prompt you: "Please enter your meeting password", which is the last 4 digits of the medical record number. You can get this from your nurse or on your child's ID band.
5. If it asks to access your camera, click "OK"
6. It'll then ask if you want to join the video. Please click "Join with video"
7. If it asks, "Zoom would like to access the microphone," click "OK"
8. It'll then say, "To hear others, please join audio". Click the tab that says "Call using internet audio"
9. If you still cannot hear us, click on the little headset icon on the bottom left of your screen that says "Join audio" and then click the tab that says "Call using internet audio"
